(in blue are the updates since April 2006)

**Cities and counties considering Wi-Fi**

|                   |           |                       |
|-------------------|-----------|-----------------------|
| Diamond Bar       | CA        |                       |
| Arvada            | CO        |                       |
| Lakewood          | CO        |                       |
| Wheat Ridge       | CO        |                       |
| Westminster       | CO        |                       |
| Thornton          | CO        |                       |
| Boulder           | CO        |                       |
| New Haven         | CT        | RFP to be issued soon |
| Washington        | DC        | RFP to be issued soon |
| Leon County       | FL        |                       |
| Miami-Dade County | FL        |                       |
| St. Petersburg    | FL        |                       |
| St. Paul          | MN        |                       |
| Burlington County | NJ        |                       |
| Camden County     | NJ        |                       |
| Gloucester County | NJ        |                       |
| Suffolk County    | NY        |                       |
| <b>TOTAL</b>      | <b>17</b> |                       |

Muniwireless.com 7 June 2006 list of US cities and regions  
(in blue are the updates since April 2006)

**SUMMARY AND COMPARISON WITH JULY 2005 FIGURES**

|                                     | <b>JULY 2005</b> | <b>FEB 2006</b> | <b>APR 2006</b> | <b>JUN 2006</b> |
|-------------------------------------|------------------|-----------------|-----------------|-----------------|
| Region/Citywide                     | 38               | 56              | 58              | 59              |
| City hotzones                       | 22               | 29              | 32              | 32              |
| Municipal or public safety use only | 28               | 32              | 35              | 35              |
| Planned deployments                 | 34               | 59              | 69              | 121             |
| <b>TOTAL</b>                        | <b>122</b>       | <b>176</b>      | <b>194</b>      | <b>247</b>      |

Note: I have not included the cities and counties (17) that are just thinking about deploying a city- or countywide network. If we include them, the total rises to **264**.
